Dear Business Neighbor,

The Tri-Boro Titans Youth Lacrosse League is conducting a major fundraiser for this 2006 Spring season to help equip and supply the nearly 200 boys and girls from this area who are now competing in the fast-paced, exciting game of lacrosse. The league, which began in 2003, is co-ed and includes several teams for children ages 8-15 from Attleboro, North Attleboro and Norton.

During the past couple of years, the league has grown at a rapid pace as the word of this action-packed sport has spread among the area's youth. Each weekend during the spring season, the boys and girls travel to and host teams from a number of the surrounding towns and communities. The growth of the league has been wonderful. However, with that growth comes an increase in operating expenses. To maintain fields, pay referees, and provide the equipment and supplies needed to outfit the 6 Boys and 3 Girls teams that the Tri-Boro Titans is comprised of, it is imperative that we get support from our neighbors in the business community.

At this time, The Tri-Boro Titans is asking for your support in the form of a donation. Any amount that you could provide would be greatly appreciated and, as the Titans are a non-profit organization, we would be happy to provide you with the information to make your donation tax deductible. The league is run by volunteers and all money goes directly to the operation of this program.

Please feel free to contact me at the number below anytime if there are any questions that I can answer for you. The Titans 2006 Spring season runs through June 25, 2006. Home games for the boys teams are played at Horton Field in Attleboro every Sunday starting at noon. Home games for the girls teams, also played on Sunday afternoons, are played at WWI Memorial Park in North Attleboro. Please feel free to come by and see the kids in action and your donation dollars hard at work.

Thank you in advance for your continued support!

Regards,

Tom Sheerin
